- 1) Birth certificate.

It is a fact that: I am a natural born State Citizen of Louisiana, in its constitutional capacity, as one of the several states of the Union. And I am an inhabitant thereof. **It is a fact that:** That my birth certificate is proof that I am a State Citizens. See attached birth certificate.

It is a fact that: That I am not a United States citizen, resident, person, individual or any other legal fiction, nor have I ever been.

It is a fact that: I explicitly reserve all of my rights always and forevermore. **It is a fact that:** That the United States, with intent and great deception, uses the term "United States citizen", to deprive the people of their rights, their birth rights, their property and freedom. And further, to relegate the status of the people, to that of livestock.

I owe you nothing nor do you have any jurisdiction over me. Your constant unceasing letters from you and your satellite departments that harass, threatens, attempts at coercion, scare tactics, stalking and all other actions are depriving me of our right to tranquility guaranteed by the preamble of, and the rest of the constitution for the United States of America. You are violating the RICO laws, stocking laws, mail fraud laws, depriving rights under color of law as well as the common law and the constitution. Your actions are also acts of treason and tyranny.

I ORDER YOU TO CEASE AND DESIST ALL ACTIVITIES AGAINST ME!

§ 672. Foster care maintenance payments program

(a) In general

(1) Eligibility

Each State with a plan approved under this part shall make foster care maintenance payments on behalf of each child who has been removed from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996) into foster care if—

(A) the removal and foster care placement met, and the placement continues to meet, the requirements of paragraph (2); and

(B) the child, while in the home, would have met the AFDC eligibility requirement of paragraph (3).

(2) Removal and foster care placement requirements

The removal and foster care placement of a child meet the requirements of this paragraph if—

(A) the removal and foster care placement are in accordance with—

(i) a voluntary placement agreement entered into by a parent or legal guardian of the child who is the relative referred to in paragraph (1); or

(ii) a judicial determination to the effect that continuation in the home from which removed would be contrary to the welfare of the child and that reasonable efforts of the type described in section 671(a)(15) of this title for a child have been made;

(B) the child's placement and care are the responsibility of—

(i) the State agency administering the State plan approved under section 671 of this title;

(ii) any other public agency with which the State agency administering or supervising the administration of the State plan has made an agreement which is in effect; or

(iii) an Indian tribe or a tribal organization (as defined in section 679c(a) of this title) or a tribal consortium that has a plan approved under section 671 of this

the parents or guardians of the minor have requested the assistance of the agency and signed a voluntary placement agreement; and (2) the term "voluntary placement agreement" means a written agreement, binding on the parties to the agreement, between the State agency, any other agency acting on its behalf, and the parents or guardians of a minor child which specifies, at a minimum, the legal status of the child and the rights and obligations of the parents or guardians, the child, and the agency while the child is in placement.

(g) Revocation of voluntary placement agreement

In any case where—

(1) the placement of a minor child in foster care occurred pursuant to a voluntary placement agreement entered into by the parents or guardians of such child as provided in subsection (a) of this section, and

(2) such parents or guardians request (in such manner and form as the Secretary may prescribe) that the child be returned to their home or to the home of a relative,

the voluntary placement agreement shall be deemed to be revoked unless the State agency opposes such request and obtains a judicial determination, by a court of competent jurisdiction, that the return of the child to such home would be contrary to the child's best interests.

(h) Aid for dependent children; assistance for minor children in needy families

(1) For purposes of subchapter XIX of this chapter, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a dependent child as defined in section 606 of this title (as in effect as of July 16, 1996) and deemed to be a recipient of aid to families with dependent children under part A of this subchapter (as so in effect). For purposes of division A¹ of subchapter XX of this chapter, any child with respect to whom foster care maintenance payments are made under this section is deemed to be a minor child in a needy family under a State program funded under part A of this subchapter and is deemed to be a recipient of assistance under such part.

(2) For purposes of paragraph (1), a child whose costs in a foster family home or child care institution are covered by the foster care maintenance payments being made with respect to the child's minor parent, as provided in section 675(4)(B) of this title, shall be considered a child with respect to whom foster care maintenance payments are made under this section.

(i) Administrative costs associated with otherwise eligible children not in licensed foster care settings

Expenditures by a State that would be considered administrative expenditures for purposes of section 674(a)(3) of this title if made with respect to a child who was residing in a foster family home or child-care institution shall be so considered with respect to a child not residing in such a home or institution—

(1) in the case of a child who has been removed in accordance with subsection (a) of

this section from the home of a relative specified in section 606(a) of this title (as in effect on July 16, 1996), only for expenditures—

(A) with respect to a period of not more than the lesser of 12 months or the average length of time it takes for the State to license or approve a home as a foster home, in which the child is in the home of a relative and an application is pending for licensing or approval of the home as a foster family home; or

(B) with respect to a period of not more than 1 calendar month when a child moves from a facility not eligible for payments under this part into a foster family home or child care institution licensed or approved by the State; and

(2) in the case of any other child who is potentially eligible for benefits under a State plan approved under this part and at imminent risk of removal from the home, only if—

(A) reasonable efforts are being made in accordance with section 671(a)(15) of this title to prevent the need for, or if necessary to pursue, removal of the child from the home; and

(B) the State agency has made, not less often than every 6 months, a determination (or redetermination) as to whether the child remains at imminent risk of removal from the home.

A child in the home referred to in paragraph (1) would have met the AFDC eligibility requirement of this paragraph if the child—

(i) would have received aid under the State plan approved under section 602 of this title (as in effect on July 16, 1996) in the home, in or for the month in which the agreement was entered into or court proceedings leading to the determination referred to in paragraph (2)(A)(ii) of this subsection were initiated; or

(B) Resources determination

For purposes of subparagraph (A), in determining whether a child would have received aid under a State plan approved under section 602 of this title (as in effect on July 16, 1996), a child whose resources (determined pursuant to section 602(a)(7)(B) of this title, as so in effect) have a combined value of not more than \$10,000 shall be considered a child whose resources have a combined value of not more than \$1,000 (or such lower amount as the State may determine for purposes of section 602(a)(7)(B) of this title).

(4) Eligibility of certain alien children

Subject to title IV of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 [8 U.S.C. 1601 et seq.], if the child is an alien disqualified under section 1255a(h) or 1160(f) of title 8 from receiving aid under the State plan approved under section 602 of this title in or for the month in which the agreement described in paragraph (2)(A)(i) was entered into or court proceedings leading to the determination described in paragraph (2)(A)(ii) were initiated, the child shall be considered to satisfy the requirements of paragraph (3), with respect to the month, if the child would have satisfied the requirements but for the disqualification.

(d) Children removed from their homes pursuant to voluntary placement agreements

Notwithstanding any other provision of this subchapter, Federal payments may be made under this part with respect to amounts expended by any State as foster care maintenance payments under this section, in the case of children removed from their homes pursuant to voluntary placement agreements as described in subsection (a) of this section, only if (at the time such amounts were expended) the State has fulfilled all of the requirements of section 622(b)(8) of this title.

 J'won Jackson (DOB: 03/16/2021)

MOTION FOR COURT ORDERED FAMILY SERVICES

and/or PROTECTIVE ORDERS

Now into court through undersigned counsel comes, the Department of Children and Family Services who with respect shows:

(1)

On or about March 16, 2021 the agency received a report concerning the above children alleging physical abuse. An investigation was initiated concerning the family. DCFS has extensive history with the mother Jeanelle Jackson dating back to 2007. Jo'Mariea, Art'Telle, Braylen and Maria were previously adjudicated CINC on/about May 6, 2019. Jo'mariea exited the custody of DCFS on or about December 19, 2019. Art'Telle, Braylen and Makiya remained in the custody of DCFS until May 21, 2020. The minor children Makiya and J'kwon have never been in the custody of DCFS. J'Kwon was born after the most recent report was received.

(2)

In the course of the investigation and after a CARA exam, it was discovered that Jo'Mariea, Art'Telle and Braylen had multiple linear bruises and scabbed lacerations. These marks are consistent with being "switched". Loop marks were found on some of the children and all boys reported being switched or "whooped". Dr. Rodriguez indicated that all marks were consistent with "non-accidental trauma".

of the children and that they return wearing it for multiple days. It was reported as recently as April 19th that Braylen's odor was so horrible staff and other children complained. The order was alleged to be apparent even through masking needed for Covid. The issue of hygiene and cleanliness has been discussed with the mother but it is never addressed satisfactorily.

(4)

DCFS also discovered that supportive therapies and services implemented for the children that had previously been in foster care had been discontinued. Of particular concern is speech therapy for Braylen and mental health for Jo'Mariea.

(5)

Due to prior involvement with the Family, DCFS is aware that the children's mother suffers from mental health issues. DCFS is concerned that given her recent pregnancies, Ms. Jackson is not receiving appropriate mental health medications or monitoring. In addition, Ms. Jackson never completed substance abuse treatment and was discharged from Family Preservation court after a significant period of non-compliance.

(6)

In an effort to stabilize the family and maintain the children in the home, Ms. Jackson was asked to voluntarily work with Family Services. The discussed Family Services were: obtain Early Steps Services for all of her children under 3, resume working with Social Work Professionals and maintain all counseling and medications recommended, forego any corporal punishment of the children, schedule an appointment with Social Work Professionals for a Jo'mariea's mental health assessment and comply with all recommended treatments, Schedule an appointment with primary doctor to discuss Jo'mariea's enuresis, participate in parenting classes, notify law enforcement if children run away, reinstate needed speech or other recommended therapies for all children, submit to random drug screens, obtain a substance abuse evaluation and comply with all requests, allow DCFS to monitor the home and children, participate fully with Family Services Unit
